

# Roster of Confederate Soldiers, 1907

Clarke County, Mississippi

The information shown here was taken from a ledger on file at the Chancery Clerk's Office, Clarke County, Mississippi, Courthouse. The printed heading on each page was "Roster of Confederate Soldiers and Sailors." It is believed this information was compiled for the 1907 Census of Confederate Veterans (or possibly taken from the 1907 census itself). I have extracted only the soldier's name, date/place of enlistment, and unit in which served. There is other data available on each soldier in the ledger.
